

## **KUFA® One (1) Year Limited Warranty Program**

KUFA Sports Enterprise Ltd. warrants the original purchaser that its rods and reels are free from defects in materials or workmanship for one (1) year from the date of purchase. A KUFA® rod or reel will no longer be covered by this warranty should any of the following apply:

Malfunctions or damage due to abuse or miss-use, accidental breakage, normal wear. In need of cleaning and / or re-lubrication due to owner's failure to provide reasonable and necessary maintenance, malfunctions caused by inadequate repair and / or alterations NOT performed by the KUFA Customer Service Center.

If the rod or reel fails to perform within one year of your purchase, you need to send it together with the original invoice to your dealer to have it evaluated. KUFA will have the defective part changed for the dealer (i.e. for you) for free if it proves to be defective in materials or workmanship.

If the dealer can't provide warranty services, or no longer is under KUFA's one year warranty program, and you still want the defective part changed, you need to contact our Customer Service by e-mail: [info@kufasports.com](mailto:info@kufasports.com) or call our toll free number at 1-866-827-7678 to check out the price of the specific part. We will ship out your order upon receipt of your cheque (payable to KUFA Sports Enterprise Ltd.) or credit card info to cover the cost of the new part and the \$20.00 shipping and handling charge.

We wish you enjoy your fishing and remember we are always ready to help.
